# HealthOne Quirindi GP Practice

## GP Transition Arrangements

Hunter New England Local Health District has endorsed Northwest Health to commence general practice and medical officer coverage at Quirindi Hospital from late August 2025.

HealthOne Quirindi GP practice will continue to provide care for our existing patients until **Friday 17 October 2025**.

We understand that this may cause some inconvenience, but we want to ensure a smooth transition to your new accepting GP for your ongoing medical care.

## What you need to do:

- Identify and notify us of your new accepting GP as soon as possible.
- Request a safe, secure and confidential transfer of medical records to your new accepting GP.
- You can still access HealthOne Quirindi GP services until 17 October.
